

Adding a Mobile Phone Number and Phone Number Extension in iQ

You now have the ability to add a **mobile phone number** or a **phone number extension** to your iQ user profile. Adding this information to your profile will help ensure that we can inform you of important account changes and help continue to improve your overall iQ experience.

- To add or edit these fields, navigate to the User Profile and click on the Edit icon on the Information tab.

- Complete the **mobile phone number** (“**Mobile**”) and/or **phone number extension** (“**Ext**”) fields. Then click OK.
- A green box will appear confirming that user details have been updated.
